**Introduction and Timeline**

The 2022 Institutional Update will take place February 28–March 28, 2022. Submission of the Institutional Update is a requirement for maintaining accreditation or candidacy with HLC.

This document provides the questions for the 2022 Institutional Update, as well as instructions, definitions and frequently asked questions.

Questions about the 2022 Institutional Update should be directed to inst-update@hlcommission.org.

**Technology Update: Canopy**

This year institutions will submit their Institutional Update data in Canopy, a new online system for HLC member institutions to manage their accreditation records. As in the previous Institutional Update System, the institution’s Chief Executive Officer, Accreditation Liaison Officer, Data Update Coordinator and Chief Financial Officer will have access to the Update in Canopy. Individuals in each of these roles received their Canopy account information in January or February 2022.

The Institutional Update can be accessed in the system from the Quick Links or Tasks section of the institution dashboard, or under the Institution section of the main menu. Because multiple individuals will be able to edit the Institutional Update at the same time, users should coordinate their work to ensure they do not overwrite each other’s changes.

For technical support, please complete the Canopy Help Request Form.

---

**Who should I plan to talk to in order to gather the information I need?**

The Data Update Coordinator will need to talk to several people on your campus to complete the Institutional Update accurately. The coordinator should work closely with those individuals who submit your institution’s date for IPEDS surveys and Title IV requests. In many institutions, these responsibilities are carried out by the Institutional Research and Financial Aid offices.

In addition, the Institutional Update requests specific financial detail. Thus, the coordinator will need to consult with your institution’s Chief Financial Officer or whoever is responsible for your institution’s budgets and audits.

Finally, the Accreditation Liaison Officer is required to verify the data prior to submission.

**Can I save a partial entry and complete it at a later date?**

Yes, you may save a partially completed Update and complete it at a later date prior to the deadline.
INSTITUTION INFORMATION

INSTRUCTIONS

• The institution’s mailing address is not editable in the Institutional Update. If the address has changed, contact your institution's HLC staff liaison.

• Enter the main phone number that should be used for public contact with the institution. The preferred phone number format is 123-456-7890 x1234.

• In the Enabling or Authorizing Legislation field:
  • Public institutions: Report the name of the act or statutory citation that enables or authorizes your institution. Contact your institution’s legal counsel for the information.
  • Private institutions: Enter “Not Applicable.”

• In the Ownership of the Institution field:
  • Private institutions: Enter the full name of the entity that owns or controls the institution.
  • Public institutions: Enter “Not Applicable.”

• Do not enter ampersands or HTML characters.

DEFINITIONS

Ownership of the Institution
Ownership of the institution is the full name of an entity that owns or controls the institution. Such entities include the ultimate corporate parent, denomination or other organization. If the institution is a public institution, enter “Not Applicable.”

The ultimate corporate parent is a company that controls other entities by owning an influential amount of voting stock or control. Parent companies are typically larger firms that exhibit control over one or more small subsidiaries in either higher education or complementary industries. Parent companies can be either hands-on or hands-off with subsidiaries, depending on the amount of managerial control given to subsidiary managers.

CONTACT ROLES

INSTRUCTIONS

• If you add a new person to a contact role, check the box to indicate you are replacing the existing contact. This will reset the form.
• If a new individual is entered in a role that has access to Canopy, that person will be given access to the system on their indicated start date. The account for the previous person in that role will be deactivated at the end of the day before that start date. Roles listed in the Institutional Update that have access to Canopy include the Accreditation Liaison Officer, Chief Executive Officer, Chief Financial Officer and Data Update Coordinator.
• If an individual serves in multiple roles, please enter identical contact information for that person in each role.
• If the permanent position is vacant, enter the interim or acting officer. Do not leave a position blank; an individual must be assigned to each role.
• In the Suffix field, include designations such as S.J., B.V.M., etc. Do not include academic credentials such as M.B.A., M.S.N., D.B.A., J.D., etc.
• The preferred phone number format is 123-456-7890 x1234.
• In the Institutional Email Address field, provide the individual’s official institutional email address. Do not enter a personal email address.
• When entering a new contact, select the date the person will start in their position in the Start Date field. The default start date for existing contacts is 08/13/2017. You may enter a different start date if it is known, but that is not required.
DEFINITIONS

Chief Executive Officer (CEO)
The principal administrative official responsible for the direction of all affairs and operations of the institution. The official who directs the post-secondary education component of the institution, and who may report to a governing board.

Chief Academic Officer
The senior academic administrator at the institution.

Chief Financial Officer
The principal administrative official responsible for the finances of the institution.

Accreditation Liaison Officer (ALO)
The individual appointed by the institution’s CEO to serve as the primary contact between the institution and HLC. The ALO communicates changes at the institution to HLC, responds to communications from HLC, and provides oversight for the currency, accuracy and timeliness of institutional information submitted to HLC, including the Institutional Update.

Data Update Coordinator
The individual appointed by the institution’s CEO to be responsible for the accuracy and completion of the Institutional Update. The Coordinator serves as the contact between the institution and HLC regarding the Institutional Update and is responsible for the timely submission of the Institutional Update.

What should I enter if one of these positions is vacant?
You should enter the name of the person who has been appointed as acting or interim for the position. Do not enter “vacant” or “not available.”

QUESTIONS
All questions with an asterisk (*) are required.

FINANCIAL INFORMATION

COMPLETE FOR FISCAL YEAR 2021

INSTRUCTIONS

• To complete this section, utilize your institution’s last complete fiscal year audit.

• If an institution is part of a related entity or parent corporation and the audit is consolidated for the entire related entity or parent corporation, then the audit should include consolidating schedules which detail the financial position for the separately accredited institution. Use the consolidating schedules to complete this section.

• Only information for the current data collection year can be updated. Data from previous years are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from previous years.
What if I can’t find our audit? Can I enter zeros?

Every effort should be made to locate the audit and provide accurate information. The consequence of entering zeros is that your institution may be flagged during the annual review of financial indicators as having potential financial issues, and HLC will follow up with your Chief Financial Officer and Chief Executive Officer.

QUESTIONS

All questions with an asterisk (*) are required.

Composite Financial Index

Complete for Fiscal Year 2021

Public Institutions

Instructions

- Public institutions will be required to submit financial data in two sections:
  - The first section asks for data adjusted to exclude the impact of GASB 68 and GASB 75. (GASB 68 and GASB 75 are Statements on Accounting and Financial Reporting for Pensions issued by the Governmental Accounting Standards Board.)
  - The second section asks for data directly from the institution’s audited financial statements, which will include the impact of GASB 68 and GASB 75.
- To complete these sections, utilize your institution’s last complete fiscal year audit.
- If an institution is part of a related entity or parent corporation and the audit is consolidated for the entire related entity or parent corporation, then the audit should include consolidating schedules which detail the financial position for the separately accredited institution. Use the consolidating schedules to complete this section.
- Guidelines and illustrations regarding the financial ratios for public institutions are found in “Strategic Financial Analysis for Higher Education, 7th ed.” (Published by Prager, Sealy & Co., LLC; KPMG, LLP; Attain, LLC; (January 1, 2010)).
- Use HLC’s Composite Financial Index worksheet to calculate this index.
- Note all strength factors are limited to a scale of -4 to 10.
• For all entries, if a corresponding number does not apply, enter zero. Blank entries will not be accepted.

• In the Return on Net Assets Ratio Calculation section, use consolidated amounts for the change in net assets, if available.

• The Viability Ratio Calculation section asks the institution to report its long-term debt. This information might not be separately reported in the financial statements as it is typically contained in the footnotes.

• The Viability strength factor is set to 10 when there is no long-term debt.

• Only data for the current data collection year can be updated. Data from the previous two years are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from previous years.

Please note: HLC reserves the right to request an audit to validate an institution’s self-reported ratio scores.

### PRIVATE, NOT-FOR-PROFIT INSTITUTIONS

#### INSTRUCTIONS

- To complete this section, utilize your institution’s last complete fiscal year audit.
  - If an institution is part of a related entity or parent corporation and the audit is consolidated for the entire related entity or parent corporation, then the audit should include consolidating schedules which detail the financial position for the separately accredited institution. Use the consolidating schedules to complete this section.
  - Guidelines and illustrations regarding the financial ratios for private, not-for-profit institutions are found in the [U.S. Code of Federal Regulations](https://www.gpo.gov/fdsys/search?q=U.S.+Code+of+Federal+Regulations).
  - Use HLC’s [Composite Financial Index worksheet](https://www.hlcommission.org) to calculate this index.
  - Note all strength factors are limited to a scale of -1 to 3.
  - For all entries, if a corresponding number does not apply, enter zero. Blank entries will not be accepted.
• Only data for the current data collection year can be updated. Data from the previous two years are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from previous years.

• For further details on each line item in this section and a crosswalk from the previous model to the current model, refer to NACUBO Advisory Guidance 19-04: Financial Responsibility Standards.

Please note: HLC reserves the right to request an audit to validate an institution’s self-reported ratio scores.

DEFINITIONS
Intangible Asset
An asset without physical characteristics. A typical example is “goodwill.”

Unsecured Related-Party Receivable
Typically a loan given to the institution by an owner or a member of the board that is unsecured by personal or real property.

PRIVATE, FOR-PROFIT INSTITUTIONS

INSTRUCTIONS

• To complete this section, utilize your institution’s last complete fiscal year audit.

• If an institution is part of a related entity or parent corporation and the audit is consolidated for the entire related entity or parent corporation, then the audit should include consolidating schedules which detail the financial position for the separately accredited institution. Use the consolidating schedules to complete this section.

• Guidelines and illustrations regarding the financial ratios for private, for-profit institutions are found in the U.S. Code of Federal Regulations.

• Use HLC’s Composite Financial Index worksheet to calculate this index.

• Note all strength factors are limited to a scale of -1 to 3.

• For all entries, if a corresponding number does not apply, enter zero. Blank entries will not be accepted.

• When calculating Total Revenues, investment gains should be recorded net of investment losses. No revenues shown after income taxes (e.g., discontinued operations, extraordinary gains, or change in accounting principle) on the income statement should be included.

• Only data for the current data collection year can be updated. Data from the previous two years are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from previous years.

Please note: HLC reserves the right to request an audit to validate an institution’s self-reported ratio scores.

DEFINITIONS

Intangible asset
An asset without physical characteristics. A typical example is “goodwill.”

Net Property, Plant and Equipment
The value of plant, property and equipment is net of accumulated depreciation, including capitalized lease assets.

Long-Term Debt
The value of all debt obtained for long-term purposes includes the short-term portion of the debt, up to the amount of net property, plant and equipment.

Total Expenses
Excludes income tax, discontinued operations, extraordinary losses or change in accounting principle.

Unsecured Related-Party Receivable
Typically a loan given to the institution by an owner or a member of the board that is unsecured by personal or real property.

**FEDERAL COMPLIANCE**

**COMPLETE FOR ACADEMIC YEAR 2021**

**INSTRUCTIONS**

**ACCREDITING AGENCIES REPORTED TO HLC**

Institutions are required to disclose to HLC if another recognized accreditor has placed the institution on a sanction or probation, or if it has been subject to an adverse action, including the denial of accreditation or withdrawal of accreditation. HLC policy requires disclosures to be made regarding such actions from any accreditor that is recognized by either the U.S. Department of Education or the Council for Higher Education Accreditation (CHEA).

- Canopy will display a list of the institution’s accreditation relationships with other recognized accreditors that have been reported to HLC. The data displayed is based on information received by HLC from either the institution or the accreditor, regardless of status. This list may be incomplete.
- If the institution is on a sanction or probation with a recognized accreditor and it is not listed, or if the institution has been subject to an adverse action from a recognized accreditor and it is not listed, or if the standing displayed with an accreditor is not correct, please contact legalaffairs@hlcommission.org. In the correspondence, please include a copy of the most recent action letter from the accreditor and the change being requested.
- Institutions do not need to report additional accreditation relationships that are not displayed if the institution is in good standing with the accreditor.
- An end date is only displayed if HLC has a record of the institution resigning its accreditation or the accreditor denying or withdrawing the institution’s accreditation or pre-accreditation status.
ACADEMIC TERM
• Adding or modifying the academic term may require prior HLC approval. See HLC’s website for policies and procedures related to changing an institution’s academic term.

TITLE IV FINANCIAL AID
• Check with the institution’s registrar or financial aid officer for assistance in completing this section. Also see HLC’s Federal Compliance Program Overview.
• Adding or modifying clock or credit hours may require prior HLC approval. See HLC’s website for policies and procedures related to changing clock or credit hours.
• Enter the percentage of first-time, full-time students receiving Pell Grants at your institution. The Pell Grant information should be from the 2021–22 IPEDS Financial Aid Survey, which covered 2020–21.

STUDENT ACHIEVEMENT INSTRUCTIONS
HLC’s policy on Public Information (FDCR.A.10.070) provides:

An institution’s information for students and the public shall include information regarding student achievement. This information shall include student retention rates, completion rates or other information appropriate for the mission of the institution and its goals for students.

CHEA has articulated that institutions accredited by CHEA-recognized accrediting organizations must demonstrate effective performance in relation to student learning and make such information public. “Effective performance with regard to students will entail a wide range of evidence, as pertinent, such as completion, graduation, retention, success with academic transfer, success with entry to graduate school, success in moving into the world of work and other evidence, as appropriate.” (CHEA Recognition Purposes)

Therefore, institutions are required to disclose student achievement data. Details about the substance and manner of disclosure are intended to satisfy HLC policy as well as certain federal regulations and CHEA principles for which HLC is responsible. For purposes of HLC’s Institutional Update:

• Student achievement information must include, at a minimum, retention, completion, licensure exam pass rates (as applicable), and data about students after graduation (such as graduate school, employment, etc.). It may also include information appropriate for the mission of the institution and its goals for all students.
• Data may be provided at the institutional or departmental level or both, but the institution must disclose data that address the broad variety of its programs, including at the undergraduate and graduate levels as applicable.
• If an institution uses student placement rates in any marketing or recruitment content, it must also publicly disclose these data.
• Individuals must be able to navigate to an institution’s Student Achievement information easily from the institution’s homepage and through a search of related terms on the website. While the institution may utilize data provided by the U.S. Department of Education or other external source, it is not enough to link to the U.S. Department of Education’s College Navigator or other external sources. Data must be provided directly on the institution’s website.
• Finally, information should be presented in plain language with any technical terms defined and any necessary information on the method used to compile data included. Note: If the published data would not enable a reasonable member of the public to make an initial judgment about the institution’s success because raw numbers were shared without sufficient context, the disclosure may be deemed insufficient.
DEFINITIONS

Semester
An institution following a semester-based academic calendar generally adheres to an academic year that consists of two terms of about 14–17 weeks of instruction. There may be an additional summer semester.

Trimester
An institution following a trimester-based academic calendar generally adheres to an academic year that consists of three terms of about 15 weeks of instruction.

Quarter
An institution following a quarter-based academic calendar generally adheres to an academic year that consists of three sessions of about 12 weeks each. The range is typically from 10 to 15 weeks as defined by the institution. There may be an additional quarter in the summer.

Four-One-Four (4-1-4) Plan
The 4-1-4 academic calendar consists of four courses taken for four months, one course taken for one month, and four courses taken for four months. There may be an additional summer session.

Modular
Courses are typically in 4- to 6-week blocks with specific start and end times (frequently cohort).

Continuous
Courses are not defined by specific start dates (usually applies to distance delivery).

Clock Hour Programs
Check with the institution’s financial aid officer to determine if the institution offers any programs in clock hours or programs that must be reported to the U.S. Department of Education in clock hours for Title IV purposes even though students may earn credit hours for graduation from these programs. Such programs typically include those required to be identified in clock hours for state licensure of the program or where completing clock hours is a requirement for graduates to apply for licensure or authorization to practice the occupation. Such programs might include teacher education, nursing or other programs in licensed fields. (34 CFR §668.8)

QUESTIONS
All questions with an asterisk (*) are required.

ACCREDITING AGENCIES REPORTED TO HLC
I have reviewed the list of accrediting agencies provided and made any necessary changes.*

ACADEMIC TERM
Academic Term:

REFUND POLICY
Does the institution have a formal student refund policy?*
TITLE IV FINANCIAL AID

Does the institution report any degree program, certificate or other academic program to the U.S. Department of Education in clock hours for Title IV purposes?*

If Yes, how many academic programs are reported in clock hours?

Enter the percentage of first-time, full-time students receiving Pell Grants.*

STUDENT ACHIEVEMENT

Please provide a functional hyperlink to the webpage on which the institution discloses information to students and the public about student achievement. If student achievement data is displayed in multiple places on the institution’s website, provide a hyperlink to a summary webpage that links to all of the published student achievement data. (Please refer to instructions above.)*

HEAD COUNTS
COMPLETE FOR IPEDS FALL 2021

STUDENT HEAD COUNT BY LEVEL

INSTRUCTIONS

• Report your numbers as of your institution’s IPEDS Fall 2021 reporting date.
• Enter enrollment data as you would have reported for the 2021–22 IPEDS Fall Enrollment Survey (Part A).
• Head count is unduplicated.
• Enter zero if there is no enrollment.
• Do not include undergraduate non-degree/non-certificate seeking students, which include dual credit students. Dual credit students will be addressed in the Dual Credit section of the survey.
• Only data for the current data collection year can be updated. Data from the previous year are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from the previous year.

DEFINITIONS

Full-Time Degree- or Certificate-Seeking Undergraduate Students
See enrollment data as reported in IPEDS Fall Enrollment Survey, Part A - Fall Enrollment for Full-time Undergraduate Students, Grand Total (men+women), Total Degree/Certificate-seeking.

Full-time degree- or certificate-seeking undergraduates are those students enrolled for:

• Twelve or more semester or quarter credits, or 24 or more contact hours per week each term.
• 4- or 5-year bachelor’s degree programs.
• Associate’s degree programs.
• Vocational/Technical degree- or certificate-granting programs below the baccalaureate level.
• Courses creditable toward an associate’s or bachelor’s degree or toward a certificate below baccalaureate level.
Part-Time Degree- or Certificate-Seeking Undergraduate Students
See enrollment data as reported in IPEDS Fall Enrollment Survey, Part A - Fall Enrollment for Part-time Undergraduate Students, Grand Total (men+women), Total Degree/Certificate-seeking.

Part-time degree- or certificate-seeking undergraduates are those students enrolled for:

- Fewer than 12 semester or quarter credits, or fewer than 24 contact hours per week each term.
- 4- or 5-year bachelor’s degree programs.
- Associate’s degree programs.
- Vocational/technical degree -or certificate-granting programs below the baccalaureate level.
- Courses creditable toward an associate’s or bachelor’s degree or toward a certificate below baccalaureate level.

Full-Time Degree-Seeking Graduate Students
See enrollment data as reported in IPEDS Fall Enrollment Survey, Part A—Fall Enrollment for Graduate Students, Grand Total (men+women), Total full-time students.

Full-time degree-seeking graduates are those students enrolled for:

- Nine or more semester or quarter credits, or a student involved in thesis or dissertation preparation that is considered full time by the institution.
- Any graduate programs.
- Any graduate courses creditable toward a graduate degree or post-baccalaureate certificate.
- Thesis or dissertation credits.

Part-Time Degree-Seeking Graduate Students
See enrollment data as reported in IPEDS Fall Enrollment Survey, Part A - Fall Enrollment for Graduate Students, Grand Total (men+women), Total part-time students.

Part-time degree-seeking graduates are those students enrolled for:

- Fewer than nine semester or quarter credits.
- Any graduate programs.
- Any graduate courses creditable toward a graduate degree or post-baccalaureate certificate.
- Thesis or dissertation credits.

What is meant by “IPEDS Fall 2021 reporting date”?
Use the date that your institution uses to compile data for IPEDS. This is usually the 10th day of class (fall semester). A small number of institutions do not have final IPEDS numbers until spring (around mid-April). HLC will work with institutions to make sure that they are able to submit accurate data. Contact inst-update@hlcommission.org if you will not have final IPEDS numbers until spring.

Why do we have to enter numbers that were already submitted to IPEDS? Why can’t HLC get those numbers from IPEDS?
HLC uses IPEDS data in the Institutional Update wherever possible in an effort to reduce the data collection burden on the institution. However, the IPEDS data that are publicly available are not from the current year. The Institutional Update relies on data for the current year. Therefore, institutions must enter current data for the Institutional Update.

STUDENT HEAD COUNT BY CATEGORY

INSTRUCTIONS
• Report your numbers as of your institution’s IPEDS Fall 2021 reporting date.
• Head count may be duplicated.
• Include both full- and part-time students.
• Only data for the current data collection year can be updated. Data from the previous year are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from the previous year.

DEFINITIONS

Certificate-Seeking Undergraduates
Students enrolled in a credit-bearing certificate program at the undergraduate level.

Degree-Seeking Undergraduates
Students enrolled in a degree program at the undergraduate level.

Post-baccalaureate Certificate-Seeking Students
Students enrolled in a credit-bearing certificate program above the baccalaureate level.

Post-baccalaureate Degree-Seeking Students
Students enrolled in a degree program above the baccalaureate level.

Non-degree-seeking Student
A student enrolled in courses for credit who is not recognized by the institution as seeking a degree or formal award.

Does “certificate-seeking” include “certification-seeking”?
Include certification-seeking in certificate-seeking only if the certification program culminates in the awarding of some kind of academic certificate or diploma by your institution. Certifications that are exclusively for licensure are reported in the Certificate and Degree Programs Offered section.

INSTITUTIONAL HEAD COUNT

INSTRUCTIONS
• Report your numbers as of your institution’s IPEDS Fall 2021 reporting date.
• Report unduplicated numbers.
• Enter zero if there are no employees for a category.
• If an employee serves in more than one category, report that person in the category used by your institution to classify that person. Report that person only once.
• Provide your institution’s student-to-faculty ratio (i.e. student-to-instructional-staff) for undergraduate programs for Fall 2021. Institutions offering only graduate programs should enter zero. If needed, institutions may use the worksheet provided in Part F of the IPEDS Fall 2021 Enrollment Survey or this similar worksheet to calculate their student-to-faculty ratio.
• Only data for the current data collection year can be updated. Data from the previous year are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from the previous year.

DEFINITIONS

Full-Time/Part-Time Faculty
Faculty are employees whose primary responsibilities are instruction, research and/or public service. Include both tenure and non-tenure track. Adjunct faculty should be counted as part-time faculty. Graduate assistants should be counted as part-time faculty. Full-time faculty on sabbatical should be counted as full-time faculty.

Full-Time/Part-Time Administration
Administration includes the following IPEDS categories: Management Occupations; Business and Financial Operation Occupations; Librarians; Computer, Engineering and Science Occupations; Community, Social Service, Legal, Arts, Design, Entertainment, Sports and Media Occupations; Healthcare Practitioners and Technical Occupations; Archivists, Curators, Museum Technicians; Library Technicians; Student and Academic Affairs and other Educational Services Occupations.

Full-Time/Part-Time Staff
Staff includes the following IPEDS categories: Service Occupations; Sales and Related Occupations; Office and Administrative Support Occupations; Natural Resources, Constructions and Maintenance Occupations; Production, Transportation and Material Moving Occupations.

DUAL CREDIT

INSTRUCTIONS
• Report dual credit head count as of your institution’s IPEDS Fall 2021 reporting date.
• Provide the best estimate of dual credits awarded for academic year 2021–22.
• Head count is unduplicated.
• Enter zero for head count if there is no dual credit enrollment.
• Only data for the current data collection year can be updated. Data from the previous year are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from the previous year.

DEFINITIONS
Dual Credit (Also called concurrent enrollment or dual enrollment.)
Courses taught to high school students for which the students receive both high school credit and college credit.

CERTIFICATES AWARDED

Complete for July 1, 2020–June 30, 2021

INSTRUCTIONS

• Report the numbers of certificates awarded between July 1, 2020, and June 30, 2021.
• Enter zero for any category for which no certificates were awarded.
• Report both graduate-level and undergraduate-level certificates.
• Only data for the current data collection year can be updated. Data from the previous year are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from the previous year.

DEFINITIONS

Certificate Program
A credit-bearing program culminating in the awarding of a certificate or diploma, but not a degree. A certificate program may require previous college credit for admission and may be at any degree level or pre-associate’s.

Certificates Not Part of a Degree Program
Certificates that have a minimum length of 24 semester hours (or 36 quarter hours) where the courses are not part of an already existing degree program. This certificate is one that is separate from any degree program offered by the institution.

Should the total count of certificates include both credit and non-credit certificates awarded?
No, you should only include credit-bearing certificates in the total count. You should report all credit-bearing certificates or diplomas in the total count regardless of whether they are Title IV eligible.

QUESTIONS

All questions with an asterisk (*) are required.

| Total Certificates Awarded: * |
| Graduate Certificates Awarded: * |
| Undergraduate Certificates Awarded: * |
| Of the undergraduate certificates listed above, how many are NOT part of an existing degree program? * |
DEGREES AWARDED
Complete for July 1, 2020–June 30, 2021

INSTRUCTIONS
• Report the numbers of degrees awarded between July 1, 2020, and June 30, 2021.
• Enter zero for any category for which no degrees were awarded.
• Only data for the current data collection year can be updated. Data from the previous year are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from the previous year.

DEFINITIONS
Associate’s Degree Programs
Programs requiring the completion of at least two years of full-time equivalent college-level work (60 semester credits or 90 quarter credits) in a specified field of study. Associate’s degree programs meet institutional requirements for completion of a degree and culminate in the awarding of a degree.

Bachelor’s Degree Programs
Programs requiring the completion of at least four years of full-time equivalent college-level work (120 semester credits or 180 quarter credits) in a specified field of study. Bachelor’s degree programs meet institutional requirements for completion of a degree and culminate in the awarding of a degree.

Master’s Degree Programs
Programs requiring 30 semester credits or 45 quarter credits beyond a bachelor’s degree and require the completion of at least one year of full-time equivalent graduate-level work. Master’s degree programs meet institutional requirements for completion of a degree and culminate in the awarding of a degree.

Specialist Degree Programs
Programs requiring the completion of college work beyond the bachelor’s degree in a specific field of study. Specialist degree programs are beyond bachelor’s degrees and are frequently found in education and related academic disciplines.

Doctoral Degree Programs
Programs requiring 30 semester credits or 45 quarter credits beyond the master’s degree and include a dissertation or other original project. Doctoral degree programs meet institutional requirements for completion of the degree and culminate in the awarding of a degree.

How should double majors be counted in the Degrees Awarded section?
Double majors should be counted only once.

How should an LL.M. degree program be designated?
An LL.M. degree is to be counted as a master’s degree.

CERTIFICATE AND DEGREE PROGRAMS OFFERED

INSTRUCTIONS
• Enter the current number of certificate and degree programs offered. Report both graduate-level and undergraduate-level certificates.
• Enter zero for any type of program not offered.
• Report degree programs that are offered in CIP-defined fields of study. Typically, the CIP-defined fields of study correspond to majors and should be carried out up to the fourth decimal point (e.g., 30.1301 Medieval and Renaissance Studies).
• Do not count sub-fields or concentrations within a major as separate programs.
• Adding or modifying programs at a new degree level may require prior HLC approval. See HLC’s website for policies and procedures related to new academic programs and changes to existing academic programs.
• Only data for the current data collection year can be updated. Data from the previous year are shown for informational purposes only. Contact inst-update@hlcommission.org to raise a concern about data from the previous year.

DEFINITIONS
Certificate Program
A credit-bearing program culminating in the awarding of a certificate or diploma, but not a degree. A certificate program may require previous college credit for admission and may be at any degree level or pre-associate’s.

Associate’s Degree Programs
Programs requiring the completion of at least two years of full-time equivalent college-level work (60 semester credits or 90 quarter credits) in a specified field of study. Associate’s degree programs meet institutional requirements for completion of a degree and culminate in the awarding of a degree.

Bachelor’s Degree Programs
Programs requiring the completion of at least four years of full-time equivalent college-level work (120 semester credits or 180 quarter credits) in a specified field of study. Bachelor’s degree programs meet institutional requirements for completion of a degree and culminate in the awarding of a degree.
Master's Degree Programs
Programs requiring 30 semester credits or 45 quarter credits beyond a bachelor’s degree and require the completion of at least one year of full-time equivalent graduate-level work. Master's degree programs meet institutional requirements for completion of the degree and culminate in the awarding of a degree.

Specialist Degree Programs
Programs requiring the completion of college work beyond the bachelor's degree in a specific field of study. Specialist degree programs are beyond bachelor’s degrees and are frequently found in education and related academic disciplines.

Doctoral Degree Programs
Programs requiring 30 semester credits or 45 quarter credits beyond the master’s degree and include a dissertation or other original project. Doctoral degree programs meet institutional requirements for completion of the degree and culminate in the awarding of a degree.

Our institution offers both a Bachelor of Arts and a Bachelor of Science in the same major. Should they be counted as one or two degree programs? They should be counted as two programs; each degree designation is counted as a separate program.

Branch Campuses and Additional Locations
Does Not Include Main Campus

Branch Campuses

Instructions
To ensure that students off campus have consistent access to Title IV federal student aid, institutions should work closely with their financial aid offices to make certain that information about off-campus operations is reported consistently to the U.S. Department of Education and to HLC. The institution’s locations should be reported the same way to the Department and HLC.
• **Note:** This section should only be completed by users with access to the Location and Campus Update section of Canopy—i.e., the Accreditation Liaison Officer or Chief Executive Officer. The Data Update Coordinator may also complete this section if they also serve as their institution’s Location Coordinator.

• Verify the following data points in the Location and Campus Update for each branch campus:
  - Campus name
  - Status
  - Address (including city, state, postal code and country)
  - Open date
  - Head count (based on actual or anticipated enrollment for current year)
  - Location type

• The Accreditation Liaison Officer or Chief Executive Officer can update the campus name or head count for a listed branch campus, if necessary.

• Adding, closing or relocating a branch campus requires prior HLC approval. See HLC’s website for policies and procedures related to [branch campus changes](#). Note: HLC does not approve branch campuses or additional locations retroactively; therefore, it is important for institutions and the students they serve that institutions seek approval well before any students matriculate at a new or relocated campus or additional location.

• If other details about the institution’s branch campuses need to be updated, contact [inst-update@hlcommission.org](mailto:inst-update@hlcommission.org).

**HLC Dues Calculation:** The number of active branch campuses and additional locations identified at the time of the Institutional Update submission will be used to calculate the institution’s annual HLC membership dues. The institution’s dues will not be adjusted if changes occur between the submission of the Institutional Update and the mailing of the dues invoice in July.

**DEFINITION**

**Branch Campus (Same as federal definition)**

An additional location of an institution that is geographically apart and independent of the main campus of the institution. HLC considers a location of an institution to be independent of the main campus if the location has all four of the following attributes:

- It is permanent in nature.
- It offers courses in educational programs leading to a degree, certificate or other recognized educational credential.
- It has its own faculty and administrative or supervisory organization.
- It has its own budgetary and hiring authority.

---

**We have some off-campus locations that offer only continuing education credits. Should these be reported to HLC?**

No. You should report only those locations that offer academic credit.
QUESTION
All questions with an asterisk (*) are required.

I have reviewed the list of Institutional Branch Campuses provided below and made any necessary changes in the Location and Campus Update or through HLC’s substantive change process.*

ADDITIONAL LOCATIONS

INSTRUCTIONS
To ensure that students off campus have consistent access to Title IV federal student aid, institutions should work closely with their financial aid offices to make certain that information about off-campus operations is reported consistently to the U.S. Department of Education and to HLC.

• Note: This section should only be completed by users with access to the Location and Campus Update section of Canopy—i.e., the Accreditation Liaison Officer or Chief Executive Officer. The Data Update Coordinator may also complete this section if they also serve as their institution’s Location Coordinator.

• Verify the following data points in the Location and Campus Update for each additional location:
  • Location name
  • Status
  • Address (including city, state, postal code and country)
  • Open date
  • Head count (based on actual or anticipated enrollment for current year)
  • Location type

• The Accreditation Liaison Officer or Chief Executive Officer can update the location name, status or head count for a listed additional location, if necessary.

• Important: Be sure that the status of each additional location is correct. The number of active additional locations will be used to calculate the institution’s HLC membership dues. Inactive and closed additional locations are not included in this calculation.

• Adding or modifying an additional location may require prior HLC approval. See HLC’s website for policies and procedures related to additional location changes. Note: HLC does not approve branch campuses or additional locations retroactively; therefore, it is important for institutions and the students they serve that institutions seek approval well before any students matriculate at a new or relocated campus or additional location.

• If other details about the institution’s additional locations need to be updated, contact inst-update@hlcommission.org.

HLC Dues Calculation: The number of active branch campuses and additional locations identified at the time of the Institutional Update submission will be used to calculate the institution’s annual HLC membership dues. The institution’s dues will not be adjusted if changes occur between the submission of the Institutional Update and the mailing of the dues invoice in July.
DEFINITION

Additional Location (based on federal definition)
A facility that is geographically apart from the main campus, where instruction takes place and it is possible for students to do one or more of the following:

• Complete 50% or more of the courses in educational programs leading to a degree, certificate or other recognized educational credential.

• Complete 50% or more of a degree completion program (even if the degree completion program provides less than 50% of the courses leading to the degree).

An additional location may qualify as a branch campus under circumstances that meet the definition of the branch campus.

There is no base or threshold number of students or distance from the campus necessary for a facility to qualify as an additional location under this definition.

An additional location typically does not have a full range of administrative and student services staffed by the facility’s personnel. Such services may be provided from the main campus or another campus.

A facility may provide access to instruction requiring students to be present at a physical location that receives interactive TV, video or online teaching. It is considered an additional location when 50% or more of a distance delivery program is available through one or more of these modalities at that facility. Note: This requirement does not apply for locations in which there is a general computer lab that students might use for distance delivery courses.

An additional location has active status when students are enrolled. Its status is inactive when students are not enrolled. The status can change between active and inactive without approval from HLC. However, a location may only be classified as inactive with no student enrollment for a maximum of two consecutive years. At that point, HLC will require the institution to close the location.

How do I add an additional location?
Institutions must receive HLC approval prior to opening a new additional location. See HLC’s website for more information about the substantive change process.

My institution moved an additional location down the street; everything else is the same. Why can’t I enter this change in the Location and Campus Update?
Moving an existing operation down the street constitutes creating a new additional location. The current location must be listed as “closed” or “inactive,” and approval should be sought for the new location. In order to assure that the institution is in compliance with federal regulations, HLC approval for the new location must be obtained before students start receiving Title IV funding.

QUESTION
All questions with an asterisk (*) are required.

I have reviewed the list of additional locations provided below and made any necessary changes in the Location and Campus Update or through HLC’s substantive change process.*
**Contractual Arrangements**

**INSTRUCTIONS**

- All active contractual arrangements that HLC has individually approved or been notified of by the institution are displayed. Please verify that data shown are correct. Verify the following data points:
  - Program name and 2020 CIP code
  - Contractual partner
  - State/country
  - Parent organization or subsidiary
  - Effective start date
  - Effective end date

- Ensure that all contractual arrangements meet the following conditions:
  - The contractual partner is not accredited by a recognized accreditor.
  - The contractual partner provides a percentage of the academic content of one or more degree programs or Title IV eligible certificate programs.
  - The contractual partner provides academic content, not just a course delivery platform.
  - The institution issues the degree or certificate for these programs.

- If any information listed is not correct or if the institution has questions about contractual arrangements, contact changerequests@hlcommission.org.

- Adding or modifying a contractual arrangement may require prior HLC approval. See HLC’s website for policies and procedures related to contractual arrangements. If the institution is engaging in any arrangement that meets the definition of a contractual arrangement and is not listed, it should complete HLC’s screening form.

**DEFINITIONS**

**Contractual Arrangements**
An arrangement in which the institution outsources some portion of its educational programs—that is, degrees or certificates offered for academic credit (including instruction, oversight of the curriculum, assurance of the consistency in the level and quality of instruction and in expectations of student performance and/or the establishment of the academic qualifications for instructional personnel)—to:

- An unaccredited institution.
- An institution that is not accredited by an accreditor recognized by the U.S. Department of Education.
- A corporation or other entity.

**Contracted Entity**
The name of the contracted partner, e.g., Wilson Consulting, Inc.: Foreign University, Inc.

**Parent Organization or Subsidiary**
Indicates whether the contracted entity is either the parent organization to which the institution belongs or if it is a subsidiary within the same corporate structure as the institution.
QUESTION
All questions with an asterisk (*) are required.

I have reviewed the list of contractual arrangements provided below and made any necessary changes using HLC’s substantive change process.*

FINAL VERIFICATION

INSTRUCTIONS
• Verify that the information provided in the Institutional Update is accurate and has been reviewed by the Accreditation Liaison Officer and Chief Financial Officer.

QUESTIONS
All questions with an asterisk (*) are required.

I verify that the reported information is accurate and has been verified by the Accreditation Liaison Officer.*

I verify that the reported information is accurate and has been verified by the Chief Financial Officer.*

REVIEW AND SUBMIT

INSTRUCTIONS
• Review the information provided in the previous sections of the Institutional Update. All sections must be marked as “completed” in order to submit the Update.
• If all required questions have been answered, click the checkbox at the bottom of the page to acknowledge the information is accurate and then click the “Submit” button. This will submit the report to HLC.

How do I print the Institutional Update?
Before submitting the Institutional Update, click the “Print” link on the Review and Submit page. This will open a print-friendly view of the Update in a new web browser tab. You can print a hard copy of this page or save it as a PDF.
You can also print individual sections of the Institutional Update by clicking the Print link at the top of each section page.
